

Important Information

This notice applies to all AXA Car Insurance policies

This notice tells **you** about some important changes which will take effect from **your** renewal date. Please ensure **you** read the changes below. **You** will find full details of **your** current cover in **your** policy wording, **certificate of insurance** and policy **schedule**, which should be read together.

Updates to your insurance

1. Changes to your excesses

Windscreen repair excess changes – customers with comprehensive cover only

We've introduced a windscreen repair **excess**. If **you** make a windscreen repair claim, **you** may need to pay an **excess** of £25.

Non-recommended repairer excess

We've introduced a non-recommended repairer **excess**. If **you** choose to use a repairer outside of **our** trusted network, **you** may need to pay an additional **excess** of £250. This is on top of any compulsory and voluntary **excesses** which apply.

Compulsory excess changes

We've increased the minimum compulsory **excess** which applies to **your** policy. **Your** policy **excess** may also be higher as other **excesses** may apply.

Windscreen replacement excess – customers with comprehensive cover only

We've changed the windscreen replacement **excess** which applies to **your** policy. The new **excess** for windscreen replacement is £115.

All your excesses are shown on your renewal invite and schedule. Please check these for full details.
