Date of most recent Product Review and Fair Value Assessment	September 2025
Date of next Product Review and Fair Value Assessment to be completed by	Within the next 12 months*

*We continuously monitor our products and apply a risk-based approach to our product governance; the next review and assessment may take place before this date and this document updated accordingly.

Outcome of the Product Review and Fair Value Assessment

As a result of the product governance activities undertaken across this product we can confirm:

- 1.The product meets the needs of the identified target market**
- 2.The product provides fair value to the target market**
- 3.The distribution strategy remains appropriate**

Product Description

This product is aimed at micro-SMEs in specific trades and is modular in nature.

It offers a range of cover including Public Liability, Employers' Liability, Professional Indemnity, Own Plant, Tools & Equipment, Contractors All Risks, Hired in Plant and Legal Expenses.

This product is sold online via Insurance Intermediaries.

Product Type

This is a Commercial Lines general insurance product which is suitable for commercial customers only.

Product Status

This product is open to new and renewal business.

Who is the product designed for?

Commercial customers with businesses based within Great Britain, Northern Ireland, the Channel Islands and the Isle of Man. It is available for those with up to 8 employees and turnovers up to £500,000, covering over 200 trades / professions.

Who is the product not appropriate for?

Commercial customers that employ more than 8 persons or who have turnovers in excess of £500,000. The product is only available to specific listed trades, with notable trade exceptions for certain high-risk trades (such as roofing contractors or trades working with asbestos).

What are the mandatory product features that will meet the needs, characteristics, and goals of the target market?

This product provides Public Liability cover as standard, up to agreed specified limits and has two wordings tailored for manual trades (Tradesman) and non-manual (Professional) businesses.

Public Liability cover gives protection in respect of legal liability for injury to third parties or for damage to their property.

In addition to the above, the following optional covers are available (depending on the customer's profession and core covers selected), up to agreed specified limits:

Does the product include optional covers?

- Contractors All Risks – this provides cover for damage to the works being undertaken including materials.
- Employers' Liability – this cover provides protection in respect of legal liability for bodily injury to employees.
- Hired in Plant – cover for plant that is hired in for use on a contract.
- Legal Expenses – this provides insurance against exposure to legal expenses in connection with a variety of specified events including employment disputes, criminal prosecutions, property disputes and Tax/VAT disputes.
- Own Plant, Tools & Equipment – cover for your own equipment.
- Personal Accident – this provides a defined benefit to selected employees who are permanently injured at work.
- Professional Indemnity – provides protection from civil liabilities as a result of your professional business activity.
- Each cover has its own significant exclusions and conditions but policies will generally exclude war, cyber losses, radioactive contamination, communicable disease and deliberate acts from most sections.

How should this product be distributed?

This product can be sold with the active assistance and guidance of an Insurance Intermediary to select the appropriate level of cover. This product should not be sold directly to customers without this assistance.

What should distributors do to ensure the product provides fair value to the end customer?

To ensure the customer receives fair value for this product, care must be taken to ensure no duplicate cover exists or is caused by an add-on where that cover is already provided by the policy. Commission, fees, or charges passed onto the customer must be proportionate to the service provided and provide fair value. The distributors should ensure that the sums insured are adequate for the risk insured.

Vulnerable Customers

Customers with characteristics of vulnerability are within the target market. Vulnerable customer objectives are consistent with those of non-vulnerable customers and can benefit from the product in the same way. Vulnerable customers have different characteristics to non-vulnerable customers and may require additional support.

Our colleagues are trained and equipped to identify and support vulnerable customers. We closely monitor vulnerable customer outcomes to ensure our products and services continue to meet their needs and deliver good outcomes.

Additional Product Literature

Please read this document alongside the product policy wording, available through the AXA Connect broker portal.

Detail on all limits, conditions and exclusions have not been included, this information can be found within the policy wording and schedule.

Further information about the Product Review and Fair Value Assessment

When completing our Product Reviews and Fair Value Assessments we used all available information relevant to the product, and information provided by our distribution partners.

Where indicators and measures were outside AXA Commercial's tolerance, we investigated these to ensure that the product continues to remain suitable for the target market, delivers value for customers and operates in line with customer expectations. Details of any key actions taken can be found below.
