Date of most recent Product Review and Fair Value Assessment	August 2023
Date of next Product Review and Fair Value Assessment to be completed by	Within the next 12 months*

**We continuously monitor our products and apply a risk-based approach to our product governance; the next review and assessment may take place before this date and this document updated accordingly.*

Outcome of the Product Review and Fair Value Assessment

As a result of the product governance activities undertaken across this product we can confirm:

- 1.The product remains consistent with the needs of the identified target market**
- 2.The product remains consistent with the fair value assessment**
- 3.The intended distribution strategy remains appropriate**

Product Description

This product is aimed at micro-SMEs and is modular in nature. It offers a range of cover including Public Liability, Employers' Liability, Professional Indemnity, Own Plant, Tools & Equipment, Contractors All Risks, and Hired in Plant.

This product is sold online via Insurance Intermediaries.

Product Type

This is a Commercial Lines general insurance product which is suitable for business customers only.

Product Status

This product is open to new and renewal business.

Who is the product designed for?

This product is suitable for Commercial customers with businesses based within Great Britain, Northern Ireland, the Channel Islands and the Isle of Man with up to 8 employees in over 200 trades / professions looking for a combined policy.

Who is the product not appropriate for? Non-Commercial customers, businesses with more than 8 employees, or certain high-risk trades (such as roofing contractors or trades working with asbestos).

What are the mandatory product features that will meet the needs, characteristics, and goals of the target market? This product provides Public Liability cover as standard, up to agreed specified limits.

In addition to the above, the following optional covers are available (depending on the customer's profession and core covers selected), up to agreed specified limits:

Does the product include optional covers?

- Contractors All Risks
- Employers' Liability
- Hired in Plant
- Legal Expenses
- Own Plant, Tools & Equipment
- Personal Accident
- Professional Indemnity

How should this product be distributed? This product can be sold with the active assistance and guidance of an Insurance Intermediary. This product can also be sold by an Insurance Intermediary directly to customers without this assistance.

What should distributors do to ensure the product provides fair value to the end customer? To ensure the customer receives fair value for this product, care must be taken to ensure no duplicate cover exists or is caused by an add-on where that cover is already provided by the policy. Commission, fees, or charges passed onto the customer must be proportionate to the service provided and provide fair value.

Additional Product Literature This document is to be read in conjunction with the appropriate policy wording and policy summary (which are available through the AXA Connect broker portal).

Further information about the Product Review and Fair Value Assessment

When completing our Product Reviews and Fair Value Assessments we used all available information relevant to the product, and information provided by our distribution partners.

Where indicators and measures were outside AXA Commercial's tolerance, we investigated these to ensure that the product continues to remain suitable for the target market, delivers value for customers and operates in line with customer expectations. Details of any key actions taken can be found below.
