Product Status

This product is open to new and renewal business.

Who is the product designed for?

This product is suitable for Commercial customers with businesses based within Great Britain, Northern Ireland, the Channel Islands and the Isle of Man requiring special type vehicle cover.

Who is the product not appropriate for? Non-Commercial customers. Customers must have other lines of business with AXA Commercial – this product cannot be written in isolation.

What are the mandatory product features that will meet the needs, characteristics, and goals of the target market? This product provides Special Type vehicle cover up to specified limits.

Does the product include optional covers? There are no optional covers with this product.

How should this product be distributed? This product should be sold with the active assistance and guidance of an Insurance Intermediary to select the appropriate level of cover. This product should not be sold directly to customers without this assistance.

What should distributors do to ensure the product provides fair value to the end customer? To ensure the customer receives fair value for this product, care must be taken to ensure no duplicate cover exists or is caused by an add-on where that cover is already provided by the policy. Commission, fees, or charges passed onto the customer must be proportionate to the service provided and provide fair value. The distributors should ensure that the sums insured are adequate for the risk insured.

Additional Product Literature This document is to be read in conjunction with the appropriate policy wording and policy summary which has been provided by AXA.
